**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a broadband fiber consumer that supports small business and consumers that support broadband competition. I chose a small local broadband provider because I did not want to pay for bundling of services that I did not need nor want. I now have a provider who gives me access at high-speeds without an additional \$250 monthly of unneeded and unwanted programming. I can and wish to select only service I need such as Netflix or HBO through their apps on Apple TV. Please do not take away broadband competition. I oppose the idea of telecommunication companies like Comcast bundling packages in order to access broadband.

Thank you,

Brent Douglas Lubbers
